

Méditerranée Transit International

Mediterranean Transit International is a forwarding agent company in Marseille; handling Import and Export operations. We offer our services to countries of Mediterranean area and West Africa. Nonetheless, we study all possibilities for shipping across the world.

We are proud to serve you with two-fold experience in forwarding and maritime transport to optimize your shipments. Our ambition is to become a reliable partner for your trade.

➤ *Maritime*

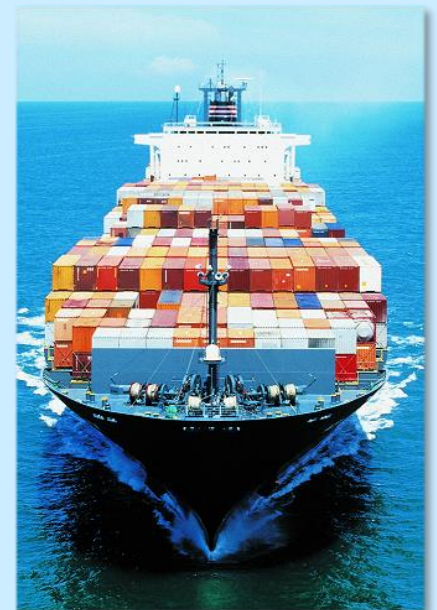

Our main activity is organizing sea transport. We work in partnership and independently with sea freight companies around the world.

We develop global services served by a powerful logistics.

Thanks to its experience, MTI acquired an expertise in sea expeditions, for both containers and conventional.

Chose a sea freight partner, organize the pre-carriage, adapt and optimize the loadings according to the destinations, make sure the sea freight is the best way to transport your good and coordinate the expeditions: these are the most important data to transport your goods in the best conditions.

These features require us to know and master the different transport stages, but also the documentary aspects that have an impact on the legal responsibility on various parties involved.

➤ *Road*

The purpose of MTI is to bring a maximum of value to your delivery.

Our performance is not only a transport that connect A to B.

Our added value is the documents management and an innovative solution that we set up to resolve the logistics issues of our clients.

Our team skills go beyond following-up the road transport. In fact, we follow entirely your expedition. We are able to manage your shipments, whatever the mode of transport used, the quantity and the type of packaging. Our performance is guarantee by a negotiated and transparent budget and a high requirement and quality level that is requested by our customers.

➤ *Aerial*

In order to answer your time constraint, MTI optimises your delivery times by choosing the best partners.

Our network of agents around the world are for you a guarantee your deadlines are respected and an attentive listening to your specific requirements, ensuring the quality of our services. We listen to your specific needs, ensuring by the quickness of our services.

Thanks to our reserved places, we will benefit of departures from all port, in France and abroad.

In our office in Southern France and via our agent's partners abroad, we forward your import or export freight, from and to all places around the world. We are impartial in choice of the operator who best meets your needs.

We work with the best air freight companies, giving a greater priority to your interest.

Here is your guarantee. The benefit of the air freight transport is its quickness and its security. In return, the cost is higher but the quickness allows frequent deliveries.

➤ *Handling*

In the stage of pre-carriage and post-carriage, we offer to our customers to load and unload their goods and potentially to store them.

We advise and assist our customers, whatever the problems they face. We provide complete services with high-value added on behalf of our clients. We have complex activities in which we handle transport, storage, stock management and preparation of orders.

We are able to answer with a great reactivity to several types of requests emerging from different clients. We ensure the security of your goods and we communicate in real-time with you.

We allow our clients to focus on their core business, by discharging them from the transport of their goods and custom formalities.

We offer several performances to our customers, such as:

- Onloading/offloading
- Boarding assistance
- Simple warehousing and storage in customs warehouses
- Palletizing and packing equipment
- Labelling
- Cargo handling
